### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. David Kalish on 7/19/05.

The application has been amended as follows:

Claims 20-24 are cancelled.

The following is an examiner's statement of reasons for allowance: Claims 1-19 are allowed because the prior art fails to disclose or suggest a device to space vertebral members having all the limitations as recited in the claims, including: with respect to claim 1, the combination of the first and second linkages of different length, the pull arm, and the plates as claimed; with respect to claim 11, the combination of the first and second plates, the first linkage pair, the second linkage pair being longer than the first linkage pair, and the toothed ends as claimed; and with respect to claim 13, the combination of the first and second plates, the pull arm, and the first and second linkage pairs as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
